Home delivery for up to a 90-day supply

Ordering your medications through Express Scripts® Pharmacy home delivery is a smart way to save time and money. Get a 90-day supply of maintenance medications delivered safely, on your schedule, to your door. And there's no delivery charge for standard shipping.

Getting started is easy. Visit [express-scripts.com/hd](https://www.express-scripts.com/hd), download the Express Scripts® mobile app, or call the number on the back of your member ID card. You can also ask your doctor to send your prescriptions to Express Scripts® Pharmacy.

Once you activate your Express Scripts® Pharmacy account, you can transfer prescriptions, order refills, track shipments, and even set up automatic refills so medications arrive at your door when you need them.
