

Make refills easier. Make them automatic.

Sign up for automatic refills and never run out of medication.

Manage your prescriptions easily and save an extra trip (or three) to the pharmacy.

- ✕ **Never miss a fill.**
With automatic refills, you don't have to remember to order a refill each time, making it easier to stay on track with your medication. Express Scripts® Pharmacy will even call your doctor when you're out of refills.
- ✕ **You're in control.**
Once you've signed up a medication for automatic refills, you can change the refill processing date to better fit your schedule.
- ✕ **Simplify your payments.**
Enroll in Auto Pay to set up automatic payments when your prescriptions are shipped.
- ✕ **Get real-time updates.**
Track your refills and get notifications on when they'll arrive.

Enrolling in automatic refills is easy. Choose the way that's best for you.
