

## ClearCareRx:

A simple, transparent PBM model with guaranteed clinical and financial value

**ClearCareRx™** is a new PBM contracting model that's designed with simplicity in mind.

We believe that clients should have the flexibility to choose the pharmacy benefit model that works best for the unique needs of their members and plan.

Built on a foundation of transparency, this approach provides **clear + predictable costs** for prescription drug benefits

### Transparent: Complete clarity around drug prices

- You pay what Express Scripts pays pharmacies for a member's prescription
- You get what Express Scripts gets from pharma
- **100% of rebate value is passed back to payers** — inclusive of any and all discounts and rebates tied to utilization

### Aligned: Plan-specific clinical and financial targets

- **One clear, simple PMPM fee** for the administration of pharmacy benefits, PBM product services, reporting and analytics
- Comprehensive and coordinated
- Focus is on improving health and value

### Accountable: Real accountability for your plan performance

- If we don't reach your goals, you pay less — **guaranteed**
- Additional guarantees based on our ability to improve drug performance (including adherence and overall health care savings)
- Prioritizing what matters most to clients

Contact your account team to find out if this transformative approach to pharmacy benefit management would work well for your plan.
